**REQUEST FOR ISSUANCE OF CERTIFICATE OF CORRECTION
UNDER 37 C.F.R. 1.322**

Sir:

Please issue a Certificate of Correction for U.S. Patent 7,604,129, as the printed patent contains an error. Enclosed is a copy of PTO Form SB/44 (1 page) with the error listed thereon. The requested correction is explained in more detail below.

On the front page, in the Assignee section, please replace "Univeristy" with --University--. This change corrects a printing error on the part of the Patent Office; the assignee's name was indicated as the "The Regents of the University of Colorado, a body corporate" when the issue fee was paid. No new matter has been introduced and no fee is believed due with this submission.
